GECOM is not conducting any field exercise

January 30, 2019 GEORGETOWN – The Guyana Elections Commission is urging citizens to be alert and not divulge personal information to persons visiting their homes under the pretense of GECOM representatives.

Several persons from Regions 2, 3, 4, 5 and 6 in particular have contacted the GECOM Secretariat to query the nature of the exercise after being visited by persons purported to be from the Commission.

Please be advised that the Commission is not engaged in any such field exercise and is therefore urging citizens to be extremely cautious and not to provide any information those persons as their motive is unknown and can be potentially harmful.

For clarifications, kindly contact the Public Relations Officer on 223-9653.
